

# LITTLE BOXES

by Pete Seeger

Little boxes on the hillside  
Little boxes made of ticky tacky  
Little boxes, Little boxes  
Little boxes, all the same

There's a green one and a pink one  
And a blue one and a yellow one  
And they're all made out of ticky tacky  
And they all look just the same

And the people in the houses all went to the university  
And they all got put in boxes, little boxes all the same  
And there's doctors and there's lawyers  
And business executives

And they all get put in boxes, and they all come out the same

And they all play on the golf course and drink their martini dry  
And they all have pretty children and the children go to school  
And the children go to summer camp  
And then do the university  
And they all get put in boxes, and they all come out the same

And the boys go into business and marry and raise a family  
And they all get put in boxes, little boxes all the same  
There's a green one, and a pink one  
And a blue one and a yellow one  
And they're all made out of ticky tacky  
And they all look just the same
